

Ennis Public Realm Regeneration Project B

Invitation to Stakeholder Clinic Monday 18th December

WE 15/12/2023

In advance of the commencement of major works at Ennis Town Centre on the 8th of January 2024, you are invited to a Stakeholder Clinic on Monday 18th December at the Templegate Hotel, Ennis. This is a significant opportunity to meet the site team and to discuss arrangements with regard to the planning of the works.

The following roads will be closed to vehicular traffic during the works from Monday 8th of January 2024.

O' Connell Street Ennis, from Old Barrack Street junction to Carmody Street junction.

O' Connell Street, Ennis, from O' Connell Square to Station Road junction.

High St, Ennis, from Harvey's Quay/Salt House Lane to Bank Place/O' Connell Square.

In High St, works will begin at the corner nearest to Parnell St, with works continuing towards O'Connell Square.

In Upper O'Connell St, we will return to site to finish the kerbing and paving of footpaths.

In O'Connell St, works will begin outside Hill Billys restaurant and will head in both the direction of O'Connell Square and also in the direction of the Cathedral. It should also be noted that it will be necessary to close the section of O'Connell St outside the Cathedral for a period from February 2024 to complete the replacement of the foul sewer.

While works are ongoing ShareRidge will do everything we can to keep any disruption to a minimum. We will ensure that access to premises is maintained at all times and that deliveries and bin collections are facilitated.

We would be delighted if you would attend this walk in clinic, next Monday 18th of December in the Temple Gate Hotel Ennis, Eircode V95 HOXK, 11.30am to 1.30pm
